

LEON COUNTY DISTRICT SCHOOLS

**PARENT DECLARATION OF PHYSICAL EXAMINATION - IMMUNIZATION
AGAINST COMMUNICABLE DISEASES**

STUDENT'S NAME

TODAY'S DATE

I understand that it is required that each student entering Leon County Schools for the first time must show proof of:

- * A Physical Examination (must be within the past year)
- * Immunization against communicable diseases

I understand that it is my responsibility to provide the schools with the proof that my child has met these requirements before he/she is officially enrolled in the Leon County Schools.

My failure to provide the schools with correct information, or if the schools do not receive proof of meeting the requirements through my child's records within twenty (20) days of entry, my child will be dropped from the school roster and will not be permitted to re-enter until I have provided the necessary proof required.
